

Dear Bio-enthusiast,

Here you will find the instructions on how to register yourself in the Pravega database. **Every participant must register in the Pravega database in order to access the Monthly Mixed Bag - I of BioBlitz.** The two-step registration procedure is very easy, and will take no more than a couple of minutes.

First step: Tap the following link to visit the page for signing-up. There, you will be required to share some information (your name, email address, phone number and name of your institution). Provide some strong password of your choice (kindly remember it for all future usage and don't share it with anyone). Please note that signing in to our newsletter DOES NOT count as registration. You WILL need to register even if you didn't sign up for the email updates. (Obviously, this also means that those who did not subscribe for email updates are eligible to register for taking the quizzes.)

https://pravega.glitch.me/front_end/views/signup.html

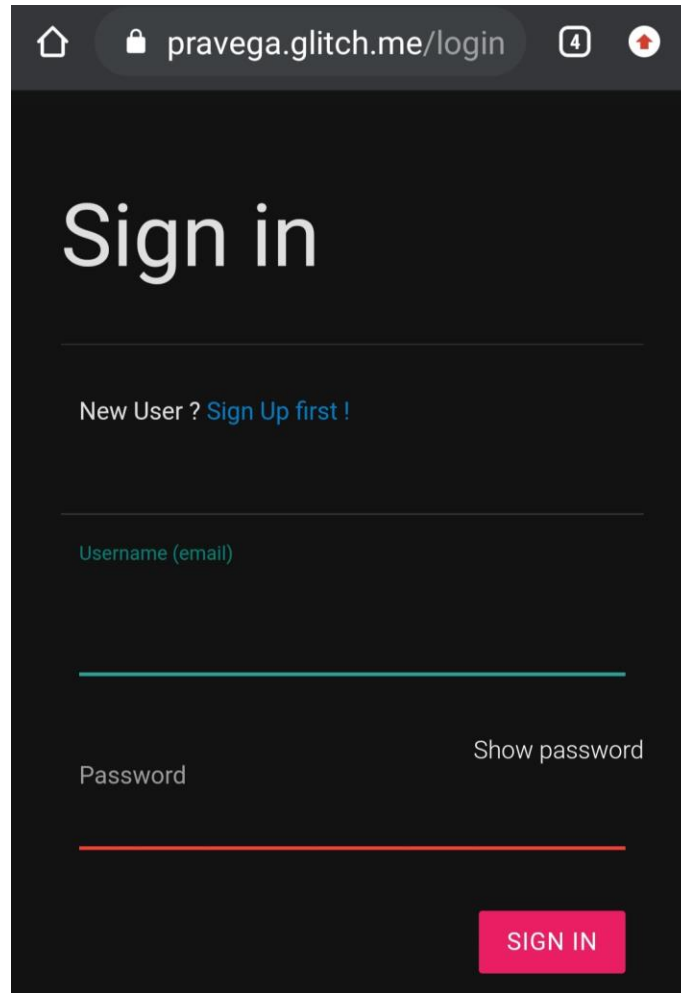

The sign up page looks like:

A screenshot of a mobile web browser showing the 'Sign Up for Pravega 2021' registration page. The browser's address bar shows 'pravega.glitch.me/regist'. The page has a dark background with white text. The title 'Sign Up for Pravega 2021' is prominently displayed at the top. Below the title, there are four input fields arranged in two columns: 'Name', 'Email', 'Password', and 'College' in the first column, and 'Email', 'College', and 'Phone Number' in the second column. Each field has a label above it and a horizontal line for text entry. At the bottom of the form is a teal-colored button with the text 'SIGN UP' in white capital letters.

Second step: Once you have signed up, you can always follow the link given below to visit the page for signing-in. Provide your email address and the password (both should be same as what you have used for sign up purpose previously).

<https://pravega.glitch.me/login>

The sign in page looks like:

Successful sign in will take you to the [participant's dashboard](#), where you will find the link to the Monthly Mixed Bag - I. Find a time suitable for you and tap the 'Go' button to start attempting the quiz (**duration: 90 minutes**).

Enjoy biology and best of luck!

Cheers,
Team BioBlitz 2020-'21
